# Gianluca Veschi

PERSONAL INFORMATION

Birthplace : Bologna, Italy
Birthdate   : 02/11/1996
Residence : Berlin, Deutschland

PROFILE

Hi! I am a highly motivated Software Engineer with a very international background.
I recently graduated in Information Engineering at the HAW Hamburg and I am currently working as Junior Android Developer at Thalia Bücher Gmbh.
In addition to programming I am passionate about geopolitics and finance. Besides technology I enjoy Skatel and MTB.
